If you experience inconsiderate or dangerous parking please register your concern with the city council or, in the case of **unlawful** parking, the police on the non-emergency 101 number.

Community Cohesion

Our Head Boy and Head Girl met up today with children from other schools at the Zelig Gallery in Digbeth, and were a credit to St. Mary's school. They talked about their own faiths and all of the different faiths we have in our school and community and they shared how we show respect for those with different faiths.

Safety online reminder

Could parents please, please supervise children when using the internet at home either on the computer, mobile phone or any other electronic device that can access the internet. We are doing everything that we can in school to ensure that our children are safe and constantly remind the children about e-safety. Following the tips listed below will help your child stay safe online.

- Have family rules about how the internet will be used at home and be clear about what information is safe to share online
- Discuss rules about communicating online with friends
- Make sure you know what your children are doing online, much like you would in 'real' life and use parental controls (on computers, mobile phones and game consoles) to help you. Remember that these cannot always be 100% effective
- Make sure that your children are aware that people or websites can lie online
