Dear Parents/Carers

Lunchtime Supervisor Vacancies

We are looking to appoint 2 Lunchtime Supervisors to work in school on a daily basis from 12.00-1.15pm. If you are interested in applying please contact the school office for an application form. All applicants will be subject to the safer recruitment process and positions are subject to a successful DBS check and appropriate references. All applications should be submitted by Friday 2nd December 2016, no later than 4pm.

Hometime

As you are aware, we have allocated class collection points around the perimeter of the playground. This is to ensure that parents can be seen to hand over children safely. Unfortunately there are still some issues with parents taking children from their lines or parents blocking the steps. Please help us to have a safe and swift home time by standing in the centre of the playground when waiting to collect your child, This will enable staff to have a clear view of who is collecting each child. Thank you in advance for your support

School Nurse

Mary Khayat the School Nurse will be in school on Tuesday 13th December at 9.15 if parents need to see her on a drop in basis,

Photographs

The last day to return photograph orders is Monday 28th November.

Kind and Thoughtful

One of our anti-bullying strategies

The following children will receive the 'Kind and Thoughtful' certificate and care of a cuddly teddy bear. The award will be presented in Celebration Assembly on Monday 28 November 2016. The lucky children will also have fruit and milk with Mrs Booker in her office and swing on her chair.

Therefore the Lord Himself will give you a sign: Behold a virgin will be with child and bear a son and she will call him Emmanuel.

Isaiah 7:14

Safety online reminder

Could parents please, please supervise children when using the internet at home either on the computer, mobile phone or any other electronic device that can access the internet. We are doing everything that we can in school to ensure that our children are safe and constantly remind the children about e-safety. Following the tips listed below will help your child stay safe online.

- Have family rules about how the internet will be used at home and be clear about what information is safe to share online
- Discuss rules about communicating online with friends
- Make sure you know what your children are doing online, much like you would in 'real' life and use parental controls (on computers, mobile phones and game consoles) to help you. Remember that these cannot always be 100% effective
- Make sure that your children are aware that people or websites can lie online
