It was lovely to see some of you there.

### Church Service

We attended Church today for our Christmas Service. It was nice to see some parents in attendance. Well done to all who participated and thank you to Father Bob for leading the Service.

## Safety online reminder

Could parents please, please supervise children when using the internet at home either on the computer, mobile phone or any other electronic device that can access the internet. We are doing everything that we can in school to ensure that our children are safe and constantly remind the children about e-safety. Following the tips listed below will help your child stay safe online.

- Have family rules about how the internet will be used at home and be clear about what information is safe to share online
- Discuss rules about communicating online with friends
- Make sure you know what your children are doing online, much like you would in 'real' life and use parental controls (on computers, mobile phones and game consoles) to help you. Remember that these cannot always be 100% effective
- Make sure that your children are aware that people or websites can lie online

Have a great Christmas!
