Dear Parents/Carers

Road Safety and Parking Project

We continue to work with 'Roundmidnight' in order to produce a video on road safety and parking with the children. Please support the good work the pupils are doing by parking considerately. A very upset and angry resident came into school to complain about parking this morning.

Please, please, please avoid parking on Trinity Way.

Birmingham Schools Team Games

10 of our pupils from year 5 and 6 competed in Birmingham School Games this week. They competed against 11 other schools in a dance competition. There was some stiff competition but we are delighted to announce that they came second. They were awarded with Silver medals - just like in the Olympics! Thank you to Mrs Nightingale from Hamstead Hall Sports Academy who nominated us for entry into this competition.

World Book Day

The children celebrated World Book Day on Thursday. The children completed a variety of activities around chosen books. Mrs Booker was storyteller for the event and shared extracts of books for children to become interested in new authors.

Kind and Thoughtful

One of our anti-bullying strategies

The following children will receive the 'Kind and Thoughtful' certificate and care of a cuddly teddy bear. The award will be presented in Celebration Assembly on Monday 6 March 2017. The lucky children will also have fruit and milk with Mrs Booker in her office and swing on her chair.

Commit your work to the Lord, and your plans will be established.

Birmingham Royal Ballet

We were lucky enough to have the Birmingham Royal Ballet working with our year 1 pupils. They have selected 17 pupils to work with in the future. We are very proud of our pupils.

CBSO

The City of Birmingham Symphony Orchestra were once again in school working with 5W on their project. The children are enjoying composing music, writing a song and performing drama.

Safety Online Reminder

Could parents please, please supervise children when using the internet at home either on the computer, mobile phone or any other electronic device that can access the internet. We are doing everything that we can in school to ensure that our children are safe and constantly remind the children about e-safety. Following the tips listed below will help your child stay safe online.

- Have family rules about how the internet will be used at home and be clear about what information is safe to share online
- Discuss rules about communicating online with friends
- Make sure you know what your children are doing online, much like you would in 'real' life and use parental controls (on computers, mobile phones and game consoles) to help you. Remember that these cannot always be 100% effective
- Make sure that your children are aware that people or websites can lie online
- Make sure your child understands that online actions can have offline consequences
