## Thought for the week

### Easter Story

Newsletter No 27 7th April 2017

For God so loved the World, that he gave his only son, that whoever believes in him should not perish but have eternal life.

Dear Parents/Carers

John 3:16

### Dinner Money

We have been advised by Citiserve that the cost of school meals has risen by 10 pence as from 1st April 2017. We will be increasing the cost of school meals by this amount from Monday 24th April 2017. Therefore school meals will increase in price by 10p to **£2.25** per meal from Monday 24th April 2017.

### Problem Solving Day

We held this term's Maths Problem Solving Day on Wednesday 5th April. The children applied their mathematical skills, with some children being able to demonstrate mastery at greater depth! They applied their Mathematical knowledge and understanding to a range of real problems. It was a lovely day and the children engaged with their mathematical learning well.

### Church Service

We held our Easter Service at St Mary's Church today. It was lovely to see some parents in attendance.

## Safety Online Reminder

Could parents please, please supervise children when using the internet at home either on the computer, mobile phone or any other electronic device that can access the internet. We are doing everything that we can in school to ensure that our children are safe and constantly remind the children about e-safety. Following the tips listed below will help your child stay safe online.

- Have family rules about how the internet will be used at home and be clear about what information is safe to share online
- Discuss rules about communicating online with friends
- Make sure you know what your children are doing online, much like you would in 'real' life and use parental controls (on computers, mobile phones and game consoles) to help you. Remember that these cannot always be 100% effective
- Make sure that your children are aware that people or websites can lie online
- Make sure your child understands that online actions can have offline consequences
