Birmingham Cathedral- 'Growing Hope'

St. Mary's school was invited to the Birmingham cathedral to take part in this lovely inspirational project. The event included time in the cathedral where pupils found out more about the themes of hope, growth and waiting delivered by the clergy and education team.

Growing Hope is an innovative retelling of the Easter story, organised by Birmingham Cathedral and the Church of England. Schools were invited to send 6 children. The children then took part in planting daffodil bulbs in Cathedral Square on Wed 20th Oct and then will return in the spring to see them bloom in the shape of a cross.

The children had a fantastic time and met with the Bishop and the Dean and a police officer who was walking by and wanted to plant bulbs as well! I am sure you will agree this is a wonderful Christian message of peace and hope.

If you are in town please go to the Birmingham cathedral and have a look at the crosses where the bulbs are planted!

Mobile Phones Safeguarding reminder

For Health and Safety reasons can I please ask all parents/carers not to use their mobile phone within the school building. Thank you for your support.

Attendance and Punctuality

Please support us in continuing to improve our attendance and punctuality by encouraging your children to come to school and be on time every day.

Maths/English/Esol Courses

Due to the low numbers I am afraid we are unable to continue with any of these courses.

Safety online reminder

Could parents please, please supervise children when using the internet at home either on the computer, mobile phone or any other electronic device that can access the internet. We are doing everything that we can in school to ensure that our children are safe and constantly remind the children about e-safety. Following the tips listed below will help your child stay safe online.

- Have family rules about how the internet will be used at home and be clear about what information is safe to share online
- Discuss rules about communicating online with friends
- Make sure you know what your children are doing online, much like you would in 'real' life and use parental controls (on computers, mobile phones and game consoles) to help you. Remember that these cannot always be 100% effective
- Make sure that your children are aware that people or websites can lie online
