Dear Parents/Carers

5W Trip to Whittington Barracks

5W had a very informative visit to Whittington Barracks this week as part of their work related to World War 1. The children enjoyed the visit and were excellent ambassadors for the school. The staff and members of the general public commented on our pupils exceptional behaviour.

Well done children!

5W Class Assembly

5W have been busy this week not only have they worked hard in class, been out on an educational visit to inspire their writing, they have also produced a lovely class assembly! The children entertained us with dance, song and drama. They explored shared values too.

Well done to the children, Mrs Winters and all of the staff who helped her.

Thank you for your support.

Attendance and Punctuality

Please support us in continuing to improve our attendance and punctuality by encouraging your children to come to school and be on time every day.

Parking Outside School Reminder

Please can parents/carers park with care when dropping and collecting their children outside of school and park with respect for our neighbours and other parents. Please help us to keep our children safe.

Safety online reminder

Could parents please, please supervise children when using the internet at home either on the computer, mobile phone or any other electronic device that can access the internet. We are doing everything that we can in school to ensure that our children are safe and constantly remind the children about e-safety. Following the tips listed below will help your child stay safe online.

- Have family rules about how the internet will be used at home and be clear about what information is safe to share online
- Discuss rules about communicating online with friends
- Make sure you know what your children are doing online, much like you would in 'real' life and use parental controls (on computers, mobile phones and game consoles) to help you. Remember that these cannot always be 100% effective
- Make sure that your children are aware that people or websites can lie online
- Make sure your child understands that online actions can have offline consequences
