Newsletter No 16 13 January 2017

Dear Parents/Carers

Winter has definitely arrived!

Please ensure that your child has an appropriate outdoor coat, as we aim to keep to outdoor playtimes as much as is possible. In the event of severe weather conditions, school will text parents and inform local radio stations if it is necessary to close the school. Please ensure that the school office is informed of any changes to mobile phone numbers.

Educational Visits

This week 5W and Reception have both been on educational visits. 5W visited the Imperial War Museum in London and Reception visited the theatre to watch an adaptation of the "Snowman". The behaviour of both groups of children was outstanding and they were a credit to our school.

Kind and Thoughtful

One of our anti-bullying strategies

The following children will receive the 'Kind and Thoughtful' certificate and care of a cuddly teddy bear. The award will be presented in Celebration Assembly on Monday 16th January 2017. The lucky children will also have fruit and milk with Mrs Booker in her office and swing on her chair.

Good will come to those who are generous and lend freely,
who conduct their affairs with justice.

Psalm 112:5

Thank you for your support.

Parking Outside School Reminder

Please can parents/carers park with care when dropping and collecting their children outside of school and park with respect for our neighbours and other parents. Please help us to keep our children safe.

Safety online reminder

Could parents please, please supervise children when using the internet at home either on the computer, mobile phone or any other electronic device that can access the internet. We are doing everything that we can in school to ensure that our children are safe and constantly remind the children about e-safety. Following the tips listed below will help your child stay safe online.

- Have family rules about how the internet will be used at home and be clear about what information is safe to share online
- Discuss rules about communicating online with friends
- Make sure you know what your children are doing online, much like you would in 'real' life and use parental controls (on computers, mobile phones and game consoles) to help you. Remember that these cannot always be 100% effective
- Make sure that your children are aware that people or websites can lie online
