Thought for the week

But without faith it is impossible to please him:
For he that cometh to God must believe that he is,
and that he will reward them that diligently seek him.

Hebrews 11:6

Newsletter No 02 16 September 2016

Dear Parents/Carers

Parking

We have received a letter from 'Centric Property' with regards to parking on Trinity Way and Lime Court. The letter stated that reports had been received by them, that a member of school staff was not only parking on Trinity Way but advising parents that it was ok to park there too. As you are aware, school does not condone parking on Trinity Way and Lime Court as this is a private road. We mention parking in our newsletter every week and always ask parents to, not only refrain from parking on the private development, but also to park considerately wherever they park. We are sure that you will continue to support school by respecting our neighbours and parking away from Trinity Way and Lime Court.

Birmingham Youth Theatre

Some of our year 6 pupils, Molly, Aimee and Emily, are performing in "Sleeping Beauty", at the old Rep Theatre between the 10th and 12th November. We wish them luck in their performance. Tickets to the family pantomime are available on line at oldreptheatre.org.uk or via the ticket hotline 07946385250. "Break a leg" girls!

Kind and Thoughtful

The lucky children will also have fruit and milk with Mrs Sturridge-Packer in her office and swing on her chair.

Celebration Assembly

Safety online reminder

Could parents please, please supervise children when using the internet at home either on the computer, mobile phone or any other electronic device that can access the internet. We are doing everything that we can in school to ensure that our children are safe and constantly remind the children about e-safety. Following the tips listed below will help your child stay safe online.

- Have family rules about how the internet will be used at home and be clear about what information is safe to share online
- Discuss rules about communicating online with friends
- Make sure you know what your children are doing online, much like you would in 'real' life and use parental controls (on computers, mobile phones and game consoles) to help you. Remember that these cannot always be 100% effective
- Make sure that your children are aware that people or websites can lie online
- Make sure your child understands that online actions can have offline consequences
