Christmas Story (1)

An angel of the Lord appeared and the glory of the

Lord shone around them.

Luke 2:9

Celebration Assembly

The following children will receive certificates for good work and behaviour in Celebration Assembly on Monday 5 December 2016. All Parents/Carers are welcome to attend. If Parents/Carers do attend could I please ask them to stay until the assembly finishes. This demonstrates to all the children that the entire assembly is valued by Parents/ Carers. Thank you for your support.

Mobile Phones Safeguarding reminder

For Health and Safety reasons can I please ask all parents/carers not to use their mobile phone within the school building.

Thank you for your support.

Attendance and Punctuality

Please support us in continuing to improve our attendance and punctuality by encouraging your children to come to school and be on time every day.

Parking

Parking outside school is a continuing problem and our main priority is the safety of our children. In collaboration with creative arts company 'Round Midnight' our children will be taking part in a road safety project.

The children will be researching and exploring the area, problem solving and participating in drama, to highlight the problems with parking and travelling to school safely. The project has already started with year 6.

Thank you to Claire Downs, one of our parents, for telling us about the project.

We will also be working with the Department for Transport on a 'Walk to School' project. Please support us with the work we are doing by parking further away from school and walking the final part of your journey.

Safety online reminder

Could parents please, please supervise children when using the internet at home either on the computer, mobile phone or any other electronic device that can access the internet. We are doing everything that we can in school to ensure that our children are safe and constantly remind the children about e-safety. Following the tips listed below will help your child stay safe online.

- Have family rules about how the internet will be used at home and be clear about what information is safe to share online
- Discuss rules about communicating online with friends
- Make sure you know what your children are doing online, much like you would in 'real' life and use parental controls (on computers, mobile phones and game consoles) to help you. Remember that these cannot always be 100% effective
- Make sure that your children are aware that people or websites can lie online
- Make sure your child understands that online actions can have offline consequences
