A reminder to parents, who use the wrap around care, that they must complete booking forms in advance of the dates required. This is for staffing and insurance purposes. In addition, payment should be made at the end of the week in which the wrap around care has been taken.

Please support us in this matter.

Thank you for your support.

Parking Outside School Reminder

Please can parents/carers park with care when dropping and collecting their children outside of school and park with respect for our neighbours and other parents.

Attendance – Taking children out of school during term time

Firstly I would like to congratulate the many parents who make sure their children attend school regularly.

However, I have to remind parents and carers that going abroad or taking children out of school during term time is not permitted. The Head Teacher cannot authorise leave during term time except where the circumstances are exceptional. If your child takes leave that has not been authorised by the Head Teacher, it will result in the absence being recorded as unauthorised and legal action may be taken.

Absence can only be authorized by the Head Teacher, within the boundaries set by the Education (Pupil Registration) (England) Regulations 2006.

It is a parent's legal responsibility to ensure their children receive appropriate education. Failing to send your child to school regularly without good reason is a criminal offence.

Again, we would like to thank those parents who make sure their child is attending school regularly and are therefore benefitting fully from their educational opportunity.

Safety Online Reminder

Could parents please, please supervise children when using the internet at home either on the computer, mobile phone or any other electronic device that can access the internet. We are doing everything that we can in school to ensure that our children are safe and constantly remind the children about e-safety. Following the tips listed below will help your child stay safe online.

- Have family rules about how the internet will be used at home and be clear about what information is safe to share online
- Discuss rules about communicating online with friends
- Make sure you know what your children are doing online, much like you would in 'real' life and use parental controls (on computers, mobile phones and game consoles) to help you. Remember that these cannot always be 100% effective
- Make sure that your children are aware that people or websites can lie online
- Make sure your child understands that online actions can have offline consequences
