Dear Parents/Carers

Romans 15:13

Parking

The police presence, adjacent to Trinity Way, on Thursday had a positive impact on parking in the slip road. Parents and Carers will have noticed how calm it was outside of school. Please try to avoid parking on Trinity Way in future. Thank you for your support in this matter.

Parents Evening

Parents evening will take place on Tuesday 4 July between 2:30pm and 6:00pm. More details to follow.

Lost Property

We have a huge amount of lost property in school. Please drop in to the hall after school on Tuesday 27 June to look through it to see if you can reunite a jumper with it's owner!

Book Amnesty

If you have any school reading or library books at home, please send them in to your child's class teacher next week

Sports Day

Well done children for your sportsmanship on Tuesday and Wednesday. Thank you to all of the parents who attended. Due to Public Health England advice we had to change KS2 sports, with little notice, to Wednesday morning from Tuesday afternoon. We sent a text message to all key stage 2 parents on Monday evening. Unfortunately the text service showed as failed delivery to about 5 parents. Please ensure that we have correct contact numbers in school.

Celebration Assembly

The following children will receive certificates for good work and behaviour in Celebration Assembly on Monday 26 June 2017. All Parents/Carers are welcome to attend. If Parents/Carers do attend could I please ask them to stay until the assembly finishes. This demonstrates to all the children that the entire assembly is valued by Parents/ Carers. Thank you for your support.

Safety Online Reminder

Could parents please, please supervise children when using the internet at home either on the computer, mobile phone or any other electronic device that can access the internet. We are doing everything that we can in school to ensure that our children are safe and constantly remind the children about e-safety. Following the tips listed below will help your child stay safe online.

- Have family rules about how the internet will be used at home and be clear about what information is safe to share online
- Discuss rules about communicating online with friends
- Make sure you know what your children are doing online, much like you would in 'real' life and use parental controls (on computers, mobile phones and game consoles) to help you. Remember that these cannot always be 100% effective
- Make sure that your children are aware that people or websites can lie online
- Make sure your child understands that online actions can have offline consequences
