Teamwork

Newsletter No 38 14 July 2017

"Therefore, if anyone is in Christ, the new creation has come: The old has gone, the new is here!"

Dear Parents/Carers

2 Corinthians 5:17

Dance Festival

Wow! What a wonderful performance the children gave. The staff too, on the second evening, as a surprise!. Well done to everyone involved.

1SW Class Assembly

Well done to the children in 1SW who worked hard to tell us all about determination. They showed us that we can all "be the best that we can be".

Year 2 Leavers Service at St Martin's in the Bullring

The children participated in the Year 2 Leavers Service at St Martin's in the Bullring. The children were a credit to our school. They are now all looking forward to starting Year 3

Parking

A resident complained this week about our parents parking in their allocated spaces on Trinity Way. This was particularly prolific during the Dance Festival. The resident couldn't use his own drive and he reported that, in addition to this, a disabled resident couldn't get out of his car and had to stay in his car until parents had gone!. The resident is now exploring the option of clamping unauthorised cars with the site management for the apartments.

Please, please allow us to focus our time and energy into your children's education and not into dealing with irate residents with regards to parking. Please **DO NOT** park on Trinity Way or block people's drives. Thank you

Celebration Assembly

The following children will receive certificates for good work and behaviour in Celebration Assembly on Monday 17 July 2017. All Parents/Carers are welcome to attend. If Parents/Carers do attend could I please ask them to stay until the assembly finishes. This demonstrates to all the children that the entire assembly is valued by Parents/ Carers. Thank you for your support.

Safety Online Reminder

Could parents please, please supervise children when using the internet at home either on the computer, mobile phone or any other electronic device that can access the internet. We are doing everything that we can in school to ensure that our children are safe and constantly remind the children about e-safety. Following the tips listed below will help your child stay safe online.

- Have family rules about how the internet will be used at home and be clear about what information is safe to share online
- Discuss rules about communicating online with friends
- Make sure you know what your children are doing online, much like you would in 'real' life and use parental controls (on computers, mobile phones and game consoles) to help you. Remember that these cannot always be 100% effective
- Make sure that your children are aware that people or websites can lie online
- Make sure your child understands that online actions can have offline consequences
