Newsletter No 03 20 September 2019

Dear Parents/Carers

The children continue to work hard in lessons and the new reception and nursery children are settling in well. The children in years 2 - 6 enjoyed a production of Oliver Twist this week. As a result they have produced some lovely English work. Thank you to everyone who contributed to the cost of the performance, without your support we would not be able to provide such enriching activities.

**Before & After School Club**

Mr Berry had advised me that after school club is full and that there is quite a waiting list. There are however a few morning places left.

**Headlice**

A case of headlice has been reported in school. Head lice will live in all hair types and are common in schools. Please check your child's hair regularly with a specialist fine tooth comb and conditioner. If headlice are detected it is important to remove all traces of them including their eggs. This can be done through the use of specialist shampoo's or the conditioner and comb method.
