New Security System

We have invested in new security on the main school gate. Could I please encourage all parents/carers to make sure the gate is closed after them when entering/leaving the school grounds. This is for the safety of all our children. Thank you for your co-operation.

I.C.T. Homework - Miss Woodley

All children have now been allocated personal login details for Education City. This website is used within school to support our curriculum. Your child is now able to access this website at home using their personal login details. Each week your child's class teacher will set an activity for homework. Please support your child to do this.

Attendance

We continue to monitor our attendance and punctuality at St Mary's. Some parents may get a letter as a result of this. A number of children are still arriving late for school. Could you please ensure that your child/children arrive at school by 8:55am.

If your child is going to be absent from school then you will need to inform the school of the reason, either by phone or letter.
