Lost Property

We still have a huge amount of lost property left in school. There is a lovely black Next coat and football boots, all in excellent condition. It would be a shame to throw these out so as a last request, if you are missing any items of clothing or footwear, please come and see Miss Woodley after 3:30pm.

Bicycle stolen from school grounds

On Monday 17 January 2011 a child's bicycle was stolen from the school grounds between 2:30pm and 3:30pm. It was chained to the fence by the path leading to the back entrance to the school. As you can imagine the child concerned is really upset. If anyone has any information regarding this theft could you please see Mrs Sturridge-Packer so she can pass the information on to the police who have been informed. Thank you for your continued co-operation.

Recycling printer cartridges and old mobile phones

We now have a recycling box in school for used printer cartridges and old mobile phones. We have signed up to a recycling programme which will help to raise money for our school and also help the environment at the same time. If you would like to bring in your printer cartridges and old mobile phones to put in the box we would be most grateful.

School Closure in Extreme Weather Conditions

In the event of inclement weather conditions, announcements will be made between 6:45am and 9:00am on the following radio stations: Heart FM, Radio WM and BRMB. Parents will also be advised by text message so it is important that we have your current telephone number.
