Phillips Idowu, Christine Ohuruogu, Andreas Thorkildsen, Carmelita Jeter and Sanya Richards-Ross are just some of the big names so far to join the star-studded line-up, but all eyes are currently on the re-match of Asafa Powell versus Tyson Gay, the contest that set the Aviva British Grand Prix alight in 2010 and was one of the races of the season. What's more, Jamaican and American athletes will be keen to acquaint themselves with a city they are bound for the following year, when Birmingham becomes the pre-Olympic holding camp for both the USA and Jamaican teams.
