Well done to class year 1 for a lovely assembly this morning. The children all performed well. I especially enjoyed the play about The Good Samaritan. It was wonderful to see so many parents/carers who came to support the children. Thank you to Miss Seales and all her helpers in making this morning's assembly such a success.

Mobile Phones reminder

Safety online reminder

Could parents please, please supervise children when using the internet at home either on the computer, mobile phone or any other electronic device that can access the internet. We are doing everything that we can in school to ensure that our children are safe and constantly remind the children about e-safety. Following the tips listed below will help your child stay safe online.

- Have family rules about how the internet will be used at home and be clear about what information is safe to share online
- Discuss rules about communicating online with friends
- Make sure you know what your children are doing online, much like you would in 'real' life and use parental controls (on computers, mobile phones and game consoles) to help you. Remember that these cannot always be 100% effective
- Make sure that your children are aware that people or websites can lie online
- Make sure your child understands that online actions can have offline consequences
